Research Experience

University of Delaware

Graduate Research Assistant

Center for the Study of Diversity (with Rosalie Dow, Ph.D.) (Summer-Fall 2017)

- Assisted with protocol design, training of undergraduate and graduate research assistants, & data collection and analysis for UD Storytelling Narrative Project that documents the experiences of

minority students related to campus climate diversity initiatives. Co-led team of undergraduate and graduate research assistants in ethical research training, conducted interviews with underrepresented racial/ethnic minority and immigrant graduate students, assisted with qualitative data analysis and edited stories for archival.

Division of Student Life: Office of Evaluation & Assessment (with Nicole Long, Ph.D.) (Fall 2016 - Summer 2017)

- Created assessment and training tools including Qualitative Training Workshop for Division of Student Life administrators. Designed a question bank of quantitative instruments used by various professional organizations (such as the National Survey of Student Engagement) to help multiple departments adequately measure success with student learning outcomes at the Center for Career Services, Office of Student Conduct, Student Health Center, Athletic Student Services, Center for Black Culture, Office of the Dean of Students, University Student Centers and more. Conducted cognitive interviews with students to assess effectiveness of current instruments utilized by the Division of Student Life.

Center for Applied Demography and Survey Research (Summer 2016)

- Conducted Computer Assisted Telephone Interviews (CATI) throughout the state regarding Delaware Department of Transportation initiatives and forthcoming projects.

Center for Drug and Health Studies (with Laura Rapp, Ph.D.) (Fall 2014; Spring 2015)

- Quantitative data analyst (SPSS) for community and statewide surveys (through the Strategic Prevention Framework State Incentive Grant) related to underage drinking and drug use. Produced reports and compiled grants database for community-based organizations.
