Archbold, C., Dahle, T., Mrozla, T., **Huynh, C.**, & Marcel, A. (2016, March-April). Citizens' perceptions of crime control by the police in an oil boomtown in western North Dakota. Presentation at the American Criminal Justice Society conference in Denver, CO.

Huynh, C., Tonsager, C., & Balas, B. (2014, May). The inversion effect and the use of orientation information in emotional face and body recognition. Poster presentation at the Vision Sciences Society Conference in St. Pete's Beach, FL.

Saville, A., **Huynh, C.**, & Balas, B. (2014, May). Face animacy does not impact the N170 inversion effect. Poster presentation at the Vision Sciences Society Conference in St. Pete's Beach, FL.

Huynh, C. & Balas, B. (2013, May). Emotion recognition (sometimes) depends on horizontal orientations. Poster presentation at the Vision Sciences Society Conference in Naples, FL.

Browning, E., **Huynh, C.**, & Peissig, J. (2013, May). Show me your poker face: Are poker players better at recognizing emotional expressions? Poster presentation at the Vision Sciences Society Conference, Naples, FL.

Peissig, J., Kelley, S., **Huynh, C.**, & Browning, E. (2012, May). The role of familiarity and sex in recognizing spontaneous emotional expression. Poster presentation at the Vision Sciences Society Conference, Naples, FL.

Espinosa, R., Norris, B., Stanley, T., Restauero, C., **Huynh, C.**, & Lamas, W. (2011, February). Juror bias and death penalty decisions: Influences of race and immigration status. Poster presentation at the American Association of Behavioral and Social Science, Las Vegas, NV.

Huynh, C., Vicente, G., & Peissig, J., (2010, May). The effect of familiarity on genuine emotion recognition. Poster presentation at the Vision Sciences Society Conference, Naples, FL.

RESEARCH EXPERIENCES

Graduate Research Assistant

2015 – present

North Dakota State University
Dept. of Criminal Justice and Political Science

Projects:

Police Accountability: Involved in the search and coding of information from news articles reporting on police misconduct for the year 2015 (Spring 2016 – present).

Oil Boom in Western North Dakota: Assisted with the door-to-door distribution and retrieval of surveys pertaining to residents' perception of their community in Williston, ND following an oil boom. Other responsibilities include literature search and manuscript write up for publication (Fall 2015 – present).

College Arrest and Cumulative Disadvantage: Assisted in the search and coding of information on students arrested during college and later life outcomes (Summer 2017 – present).

College Arrest and Postcollege Convictions: Assisted in the manuscript write up of findings on the impact of arrest during college and later criminality (Spring 2017).

Social & Political Institutions in the Resettlement Experiences of New Americans: Responsibilities include web searches for participation in an interview, assistance with the interview process, and the transcription of interviews from audio file to a word document (Fall 2016 – Fall 2017).

A Statistical Profile of Alcohol-Related College Student Deaths: Assisted in the search and coding of information obtained from news articles pertaining to alcohol-related deaths among college students across the United States. Other responsibilities included literature search and manuscript editing (Fall 2015 – Fall 2016).

Perceptions of Police Use of Force: Assisted in the analysis of official data obtained from public web sources (Summer 2015).

Sexual Victimization on Campus: Assisted with the distribution and retrieval of surveys in a university-wide campus. Data were then entered into SPSS statistical software for later analysis (Spring 2015).

2012 – 2014

North Dakota State University
Dept. of Psychology

High-level Cognitive Vision Lab: Assisted in multiple projects involving visual perceptions of human faces and bodies. Duties included: data collection, subject recruitment, experimentation using

electroencephalogram (EEG) techniques, stimuli creation/manipulation, experimental programming using Matlab software, data analyses in SPSS, training and directing undergraduate research assistants, organization and implementation of research projects, and manuscript write up for publication.

TEACHING EXPERIENCES

Instructor

2015 – present North Dakota State University
Dept. of Criminal Justice and Political Science

Courses:

CJ201: Intro to Criminal Justice (online – Fall 2017)
CJ230: Criminology & Criminal Law (online – Spring 2017)
CJ310: Women and Policing (online – Spring 2016)
CJ230: Criminology & Criminal Law (in-classroom – Fall 2015)

Graduate Teaching Assistant

2014 – 2016 North Dakota State University
Dept. of Criminal Justice and Political Science

Courses:

CJ407: Deviant Behavior (instructor: Dr. Kevin Thompson) (Fall 2015 – Spring 2016)
CJ406: Crime & Delinquency (instructor: Dr. Kevin Thompson) (Fall 2015 – Spring 2016)
CJ406: Crime & Delinquency (instructor: Dr. Sarah Boonstoppel) (Fall 2014 – Spring 2015)
CJ230: Criminology & Criminal Law (instructor: Dr. Sarah Boonstoppel) (Fall 2014 – Spring 2015)

RESEARCH INTERESTS

Perceptions of the Police and Police Services
Police Misconduct & Police Accountability
Police and Race-related Issues

MEMBERSHIPS HELD

American Society of Criminology
The Academy of Criminal Justice Sciences
Midwestern Criminal Justice Association
