

CRIMINAL JUSTICE

MASTER OF ARTS - CRIMINAL JUSTICE

The master's degree in Criminal Justice is designed to provide a foundation in research and theory in substantive areas of criminal justice activity and focused scholarship on issues of importance to the field.

Our faculty is very productive in terms of teaching, publishing, and service to the community. This translates into graduate courses that are cutting-edge and relevant, as well as opportunities for both faculty-student research collaborations and student engagement in community discipline-related service. A recent internal review determined that our program has a 100% placement rate for students applying to Ph.D. programs.

The Criminal Justice program at Boise State University was named one of the top 10 M.A.-granting universities in terms of total grant dollars obtained by our faculty (Mustaine & Tewksbury, 2009).
